Dear Stella

Re: BSG Practice Day & Christmas Party - 1st & 2nd December 2011

I wish to thank you and your team for all your hard work and for helping to make our event so stress free and successful.

Not only was the Nightingale Centre an ideal location for us, but being able to have sole use meant we were free to plan our day and evening events to suit our needs and timetable. It also meant we were able to party into the early hours without fear of disrupting anyone else. Perfect!

The food was tasty and you created a warm and festive environment for us, just as requested.

I would have no hesitation in recommending the Centre to anyone and hope to hold future events with you.

Please pass on our warm regards and best wishes to your team.

Yours sincerely
